Village Digital Hub

Dr.Kabaly P Subramanian

**Assistant Professor ,Arab Open
University, Oman**

**Adjunct Professor ,VIT University ,
India**

The background features a series of concentric circles in light gray, some solid and some dashed, creating a ripple effect. A large, solid red oval is positioned in the center-right of the frame. A dark gray, curved, brushstroke-like shape is located to the left of the red oval, partially overlapping it.

Title of the solution

Village Digital Hub

Equity

To achieve Digital
Equity in the
Society

To prepare them
for Innovative &
Sustainable Future

Justification

"Digital Divide" refers to the growing gap between the underprivileged members of society, especially the poor, rural, elderly, and handicapped portion of the population who do not have access to computers or the internet; and the wealthy, middle-class, and young living in urban and suburban areas who have access.

Digital Divide : as the unequal access and utility of internet communications technologies

Description of the expected solution

India , Tamilnadu, Tirunelveli

10 Villages (Pilot Scheme)
